Looking Forward

A Message from Ms Lynch

Hello Everyone,

We are busy making plans for HPS to be fully open as a school in September when we will be welcoming all children back to school.

Some of school life will be a little bit different to make sure that we all stay safe and well, for example:

- More Hand Washing.
- Slightly different lunch times:
- Newly ordered personal resources, including a special bag to bring your PE kit in.

A lot of school life will be the same. We will be sending home more information in a week or two. Your new teachers are looking forward to meeting their new classes. They have made a film for you to watch, see the link across the page. Please watch this film. If you then have any questions, you can post them on Seesaw. Your teachers will then make another video to explain the answers to your questions.

I will be writing to you again in another week.

From, Ms Lynch

Message from the Year 2 Team

We would like to welcome you to Year 2! You may recognise some familiar faces who you have worked with before. From September, your class teachers will be Miss Bowtell (Class 5) and Miss Hollison (Class 6) and we are both looking forward to welcoming you in to your new learning spaces. We cannot wait to get started with our learning together.

HEROES

Our first topic in the Autumn term will be Heroes, inspired by recent events. Now you know a little more about who we are and the first topic we will be exploring together, we would like to give you the opportunity to let us get to know you more. Over the summer, we are asking that you complete an 'All About Me' task on Seesaw that represents who you are. This will be your chance to share everything you would like us to know about you. This can include your hobbies, your loves or things you enjoy to learn. It will be wonderful to find out more about you and we can't wait to see and share your work together in September.

We have filmed a short video for you, containing further information about our new topic and life as a Year 2 child at HPS. This video will be on Seesaw for you to watch and comment with any questions you may have. We will then look through these questions and create a question and answer response. Have a wonderful, relaxing summer, stay safe and we look forward to seeing your smiling faces back in September.
