Looking Forward

A Message from Ms Lynch

Hello Everyone,

We are busy making plans for HPS to be fully open as a school in September when we will be welcoming all children back to school.

Some of school life will be a little bit different to make sure that we all stay safe and well, for example:

- More Hand Washing.
- Slightly different lunch times:
- Newly ordered personal resources, including a special bag to bring your PE kit in.

A lot of school life will be the same. We will be sending home more information in a week or two. Your new teachers are looking forward to meeting their new classes. They have made a film for you to watch, see the link across the page. Please watch this film. If you then have any questions, you can post them on Seesaw. Your teachers will then make another video to explain the answers to your questions.

I will be writing to you again in another week.

From, Ms Lynch

Message from the Year 4 Team

- We are genuinely excited to welcome you to your new Year 4 learning spaces. Next year, your class teachers will be Mr Eldon and Mrs Valentine. Mr Eldon will be the class teacher for Class 9, and Mrs Valentine will be the class teacher for Class 10. We can't wait to get started with our learning when we return to school in September.

HEROES

- Our first topic in the Autumn term will be Heroes. Over the Summer holiday, we would like you to create a piece of work on Seesaw that will tell us all about you. Your work can include things that you wish for us to know about you, not just academically, but as a person too. You will find more information about this on our new Year 4 Seesaw. It will be wonderful to find out more about you.
- We have been preparing a video presentation for you. This will give you more information about our topics and what it will be like to be a Year 4 child at Huntingdon Primary School. This video will be on Seesaw for you to watch and enjoy! You will also be able to leave a comment with any questions that you might have. You will have a week to get these to us. We will then look through these and create a question and answer response soon after this.
- We hope that you and your family have a lovely relaxing summer, take time to relax and enjoy this time. We really look forward to welcoming you back to school as the new Year 4 2020.
